YUCCA FILAMENTOSA

Montrose Nurseries
Montrose
Westchester County, N.Y.

Quality will be remembered after price is forgotten.
In presenting this brief Catalog, we hope, by offering only the most desirable novelties, together with the more popular and well tried varieties of trees and plants, our patrons will be able to make satisfactory selections with less bewilderment than "wading" through long lists of technical names.

Accurate grading receives strict and careful attention, so that our customers may rely on getting good-sized, well shaped plants, such as they have a right to expect and which will produce a superior effect the first season.

We guarantee stock to arrive in good condition even if entransit for two weeks. We have shipped to the Pacific Coast and to Cuba, with perfect success.

Our terms are invariably cash with order or before shipment, but we are always pleased to extend credit to anyone of known responsibility, or who will furnish us satisfactory reference.

Correspondence solicited and if consistent with character and size of order, we will be glad to quote special prices.

We wish to thank our many customers for the liberal patronage given us in the past, and we shall endeavor to merit a continuance of this confidence by holding strictly to our motto of fair dealing.

Please read what some of our customers say on third page of cover.

Nurseries only five minutes walk from station.

People are beginning to realize that by expending a little time and thought they can have well-kept, attractive grounds at moderate expense, adding to the beauty and value of same.

If the grounds are somewhat extensive, beautiful effects can be produced with shade trees, shrubs, etc., according to some prearranged plan.

If grounds are small, a few shrubs, roses, vines and herbaceous plants can be used to advantage. Vines trained over porches, fences, etc., are very effective at small cost.

HOW TO PLANT

Do not make the mistake of planting at random all over the grounds. Trees and shrubs may be planted along the drive leading to the house as well as on the borders.

In laying out the grounds, make as few walks as possible. Upright shrubs, roses, and flowers should be planted in clumps.

These beds should be kept well cultivated, to insure healthy growth. Mass the shrubs and most of the trees on the boundaries, so as to leave a broad space for the lawn, and where there is a pretty view leave an opening. Where there is an unsightly object, conceal it with trees or vines or both.

Do not plant large trees too near the house except on the sunny side for shade.

BIRCH (Betula)

American White Birch. Somewhat irregular growth, very ornamental, with its striking white bark, 6-7 ft., $2.50.

BEECH (Fagus)

Rivers’ Purple Beech. 4 to 6 ft., $3.00.

CATALPA SPECIOSA (Western Catalpa)

The large growing sort, 10 ft., $5.00 each.

CATALPA BUNGEI

A remarkable dwarf species, usually grafted on stems 6 to 7 ft. high, when it forms a dense round head—see illustration, page 2.

Plants we offer have extra strong heads. Two to three years old, $4.00 to $6.00 each.

THE DOGWOODS (Cornus)

Are among the most beautiful and desirable medium sized trees; indeed, we know of no other tree that has so much to recommend it.

In early spring before the leaves show, it is covered with large, pure white flowers, followed by bunches of brilliant scarlet berries, and in autumn the foliage coloring is unsurpassed.

CORNUS ALBA (White Flowering)

Selected plants 5 to 7 ft., $2.50 to $3.50 each. 7-8 ft. $4.00-$5.00.

Cornus Flore Rubra. RED OR PINK FLOWERING DOGWOOD. This is identical with the above, except the flowers are a beautiful pink. 4 ft., $6.00.
CRAB (PYRUS)

Bechtel's Double Flowering. Flowers very double, 2 to 3 inches across, of a delicate pink color, resembling a rose, both in form and fragrance. 4 to 5 ft., $2.50 each. See cut on opposite page.

LINDEN OR BASSWOOD (TILIA)

Of the Lindens the European species is perhaps the most largely planted. It makes an upright, symmetrical tree of large size, almost always grows very straight. The foliage is dark green and very dense. See cut, page 4. 8 to 10 ft., $3.00 to $5.00.

The American Species. Tilia Americana, has the same general characteristics, except the foliage is a lighter green and larger. The most rapid growing of the Lindens. Selected trees, 10 to 12 ft., $5.00 to $7.00 each.

MAPLE (Acer)

Acer Var. Dasycarpum. Silver or Soft Maple. Most rapid growing of the Maples. 2 to 3 inch caliper, $4.00 to $6.00 each. Larger sizes priced on application.

CATALPA BUNGEI

A. Platanoides. Norway Maple. 10 ft. and up. $2.25 each: 1 1/2 to 2 inch caliper, $3.00 to $5.00 each. See cut, page 6.

A. Saccharium. Sugar or Rock Maple. 10 to 12 ft., $2.00 each, 1 1/2 to 2 inch caliper, $2.50 to $5.00 each.

JAPANESE MAPLES

OAK (Quercus)

We wish to call particular attention to the Oaks on account of their hardiness, sturdiness and their adaptability to any soil or situation, besides their beauty as a shade or ornamental lawn or street tree.

Of all the varieties, we believe (all points considered) the Pin Oak, Quercus Palustris, is the best and most satisfactory and is the most largely planted. It is the most rapid growing of the species. See cut, page 5.

Fine selected trees, 7 to 8 ft., $2.50 each; Large specimens for immediate effect. Write for special prices.

ELM (Ulmus)

American. 10 to 12 ft., $1.00 each. 2 to 2½ inch caliper, $1.50 to $2.00 each.

JUDAS TREE OR RED BUD (Cercis)

American. 5 to 6 ft., $1.50 each.

POPLAR (Populus)

Lombardy. 8 to 10 ft., $1.00 each. 10 to 12 ft., $2.50 each, $20.00 per doz. Larger sizes priced on application.

THE MAGNOLIAS

Their lavish profusion of large and beautiful flowers, their fragrance, richness of foliage and stately tropical aspect, place the Magnolias easily first among flowering trees. Planted in groups their Spring inflorescence is
EUROPEAN LINDEN

grand beyond description. All varieties develop into beautiful specimens that look well when planted either in groups or as specimen trees. Plant in Spring to insure best results.

Sweet Bay. MAGNOLIA GLAUCA. (S). The native Sweet Bay of our swamps, whose fragrant white flowers in June are much admired. Its glossy, laurel-like leaves remain green until late in the Fall.

Each
5 to 6 ft. ........................................... $3.00

Soulange’s Pink Magnolia. MAGNOLIA SOULANGEANA. (S). When in bloom the general effect is pink and the flowers, being borne in great abundance, produce a gorgeous sight. Perhaps the most familiar and satisfactory variety of this color to use.

Each
3 to 4 ft. ........................................... $5.00
4 to 5 ft. ........................................... $7.50

Hall’s Japanese Magnolia. MAGNOLIA STELLATA; syn. HALLEANA. (VD). Dwarf and bushy. It blooms earlier than other varieties and its semi-double white star-like flowers are delicate and fragrant. Its many splendid qualities adapt it for specimen planting where a small tree is required.

Each
2½ to 3 ft. ........................................... $7.00

Early Spring planting is preferred for Magnolias.

BIRCH (Betula)

Cut-leaf Weeping. 8 ft., $2.50.

B. Young’s Weeping. A curious, irregular drooping variety, with beautiful snow-white bark, rare and very ornamental. Extra large specimens $5.00 to $7.00 each.
JAPANESE MAPLE (Polymorphum)

MULBERRY (Morus)

Tea Weeping. Forms a perfect umbrella shaped head, long, slender branches drooping to the ground. Extra strong, 3yr. heads, $2.50 to $4.00 each. See cut, page 6.

WILLOW (Salix)

Babylonian Weeping. The most popular of the Willows. 8 to 10 ft., $1.50.

Wisconsin Weeping. Another fine drooping form. 8 to 10 ft., $1.50.
TEA'S WEEPING MULBERRY

"If you fail to find what you want ask us about it, we can undoubtedly supply you."
ALTHEA, DOUBLE PINK

FLOWERING SHRUBS

Flowering shrubs appear to best advantage when planted in groups of a dozen or more, and by a judicious selection of varieties succession of bloom is afforded all summer. In laying out new grounds, shrubs should be used extensively, as they make a beautiful display the first season.

Plants we offer are all of good size and well rooted, one and one-half to six feet high, according to variety.

Prices, except as noted—60c each, $6.00 per doz.

Althea. Rose of Sharon. Double red, pink, purple, blue and white. These bloom from August till October. 75 cts. each, $8.00 per doz.

Amygdalus nana. Flowering Almond. Double pink- and white-flowering. 75 cts. each.

Azalea Ghent. This beautiful tribe of plants is fully the peer of the rhododendron. Flowers of nearly every shade of rose, yellow, red, etc. Strong plants with buds $3.00 each.

A. mollis. Large abundant flowers of red, yellow, salmon, cream, etc.; very fragrant. Well budded plants, $3.00 each.

B. Thunbergi. Leaves purplish, suffused with a golden sheen in autumn; fruit dark crimson, remaining nearly all winter. Its glory of color and beautifully rounded form especially commend it.

In quantity ask for prices.

B. Vulgaris. Common Barberry, yellow flowers in drooping racemes in May or June followed by scarlet fruit. 40c each, $4.00 per doz.

C. Japonicus variegatus. Dwarf, very striking silver-fringed leaves; single yellow flowers in June.
Clethra alnifolia. Sweet Pepper-bush. Growth low; numerous small spikes of white and very fragrant flowers in July.

Cydonia Japonica rubra. Red-Flowering Japan Quince.

C. Japonica alba. Pure white flowers in April. 75 cts. each.

DEUTZIA

We are indebted to Japan for this valuable genus of plants. Their hardihood, fine habit, luxuriant foliage and profusion of attractive flowers, render them the most beautiful and deservedly the most popular flowering shrubs. The flowers are produced the latter part of June in racemes four to six inches long.

Deutzia Lemoinei. A recent introduction. Although the habit is dwarf, the flowers are large, pure white, produced freely.

D. Pride of Rochester. Large, double white flowers, with the back of the petals slightly tinged with rose. 50 cts. each, $5.00 per doz.

D. gracilis. A charming species of dwarf habit: flowers bell-shaped, pure white, about the first of June.

Desmodium penduliflorum. (Lespedeza Sieboldi) Japan Bush Clover. Sprays of rose-colored flowers, middle of September. A magnificent plant for use in beds or groups of shrubs; though not really a shrub, it grows so strong it has come to be classed as such.

Euonymus alatus. Winged Euonymus. A remarkable species with a curious wing extending down the stems between the leaves, also bearing in peculiar fashion shining oval red berries. Foliage a beautiful reddish purple in autumn. $2.00 each.

Forsythia viridissima. Flowers a light shade of yellow, opening about the third week in April. 50 cts. each, $5.00 per doz.

F. suspensa. A graceful drooping form; yellow flowers. 50 cts. each, $5.00 per doz.

Hydrangea paniculata grandiflora. Extra strong plants. 2½ to 3 ft. 75 cts. each, $8.00 per doz.

Hypericum aureum. Large, rich yellow flowers; a shrubby sort with narrow foliage, dwarf habit, profuse bloomer. 50 cts. each, $3.00 per doz.

Lonicera Morrowi. A species from Japan. A decided acquisition; strong, upright and rather spreading grower; blooming profusely in May and June; flowers pure white, followed by bright red berries.

L. Tatarica. Tartarian Honeysuckle. A vigorous upright shrub, with fragrant pink or white flowers in May, followed by very ornamental orange-red berries.
PHILADELPHUS OR SYRINGA

L. fragrantissima. (M). April. Small, creamy white flowers of a delightful fragrance borne in profusion. The deep green foliage is retained until Winter. Makes a handsome specimen. 2 to 3 ft.

Ligustrum Regelianum. Regel’s Privet. Heavy, spreading growth, black fruit. 40cts. each. $4.00 per doz.

Philadelphus coronarius. Mock Orange or Garland Syringa.

P. coronarius aureus. A beautiful golden-leaved variety of the preceding; dwarf.

Rhodotypus kerrioides. Japan. Numerous pure white flowers about May 15. 3 to 4 ft., 75 cts. each, $8.00 per doz.

SPIRAEA ANTHONY WATERER
**Rhus Cotinus.** **Purple Fringe, or Smoke Tree.** 3 to 4 ft., 75 cts. each.

Syringa. **Lilac.** Common white and purple.
S. Charles X. Reddish purple flowers. 75 cts. each.
S. Persica. **Persian Lilac.** Less tree-like in form; upright shape, irregular; deep lilac flowers, holding their color well. 75 cts. each.

Symphoricarpus racemosus alba. **White Wax or Snowberry.** Pink flowers; white waxy berries in fall.
S. Rubra. **Indian Currant.** Branches literally covered in fall with red berries, causing them to droop gracefully.

**SPIRAEA (Meadow Sweet)**

These are indispensable in landscape architecture, owing to the diversity of forms, foliage, flowers and time of blooming.

**Spiraea Anthony Waterer.** A perfect gem in every way. It casts in the shade all Spireas in brilliancy of color: a bright crimson, and is the most profuse and persistent bloomer of them all, bearing continuously large, flat clusters of lovely bloom throughout the summer and autumn. Dwarf habit; comes into bloom when not over 6 inches high. See cut page 9.

S. Bumaldi. Rosy pink flowers.
S. Frobelia. Similar to Anthony Waterer except that the foliage shows a finer autumn coloring. Also a stronger grower but blooms only once, in June. 50 cts. each, $5.00 per doz.

S. prunifolia. **Bridal Wreath.** Numerous rosette-like white flowers, along the terminal shoots.
S. Reevesi. A beautiful species from China. An enormous bloomer, the flowers being arranged in cymes, of pure white, narrow foliage, compact growth.

S. Rotundifolia. A rather curious straggling shrub of large size, the leaves are borne in whorls as the name implies. Rosette-like white flowers in June.
JAPANESE SNOWBALL

S. Thunbergii. Very numerous, white flowers in early May; yellowish green shredded foliage, turning to bronze in autumn.

S. Van Houtte. The most showy Spirea. Pure white, double flowers, in such profusion as to cause the branches to droop very gracefully. See cut, page 10.

Stephenandra Flexuosa. A compact-growing shrub: small, hawthorn-like leaves, bearing bunches of small, white flowers in early June.

V. plicatum. Japan Snowball. Numerous clusters of white flowers, borne along the stem instead of at the tips. Very handsome plicated foliage, turning to rich bronze in autumn. $1.00 each.

V. Opulus sterilis. Common Snowball.

V. Oxyccocus. White flowers in large, flat heads in May. Numerous, bright red berries in fall.

Weigela candida. Creamy white flowers.

W. variegata. Leaves handsomely variegated with golden; light pink flowers in great profusion.

W. Rosae. Rose colored flowers in great profusion in June.

Eva Rathke. The best red Weigela. Beautiful, dark red, blooms all summer. 75 cts. each.

Yucca filamentosa. Adam’s Needle. Valuable for rockwork; heavy plants, 50cts. to $1 each.

CLIMBING VINES

Ampelopsis Veitchi. Japan Ivy. The best vine for covering stone or brick-work. Strong 2-year plants, 50cts. each, $5.00 per doz.

Euonymous radicans. Foliage evergreen, very hardy. Useful in shaded places. Strong plants. 60cts. each, $6.00 per doz.

Lonicera Halliana. Hall’s Honeysuckle. Yellow and white flowers nearly all summer; very fragrant nearly evergreen. 35 cts. each, $2.50 per doz., $15 per 100.

L. sempervirens. Scarlet Trumpet Honeysuckle. Scarlet flowers all summer; very desirable. 60 cts. each.

Periwinkle. Bright green, glossy leaves, retained all winter; clear blue flowers in April and May. 30 cts. each, $2.50 per doz.

Wistaria Sinensis. Chinese Wistaria. Best of all. Purplish white flowers in May. 75 cts. each.

CLEMATIS PANICULATA

Evergreen Shrubs

Azalea amoena. A dwarf shrub with small dark green leaves, changing to bronze in winter. Numerous dark red or claret-colored flowers in May. Strong plants, $3.00 to $5.00 each.

Kalmia latifolia. Mountain Laurel. 18 to 24 in. $3.00 each.

Mahonia aquifolia. Holly-Leaved Mahonia. Shiny green, prickly leaves, turning to bronze and red in autumn; clusters of yellow flowers in May. 16 to 20 in., 75 cts. each; $8 per doz.

Rhododendrons. A relative of the Laurel, but larger flowers in larger clusters of various shades of red, purple and white. We offer only such sorts as have proven hardy in this climate. Prices on application.

“We have arranged with a careful collector enabling us to offer native Rhododendrons at low prices by carload. Correspondence invited.

BOXWOOD (Buxus)

These beautiful evergreen shrubs have become very popular for formal planting and for decoration in tubs.
The foliage is thick and glossy dark green, and holds its color best of any evergreen. Bears pruning with impunity. Can be grown in any shape or form.

The **Semper virens** or **Tree Box** is perhaps the best of the large growing species. We offer a fine stock of the various forms.

Pyramidal, Bush Form, Standards. Prices and sizes on application.

**Evergreens**

**ABIES (Fir)**

**P. Douglasii.** **Douglas Fir.** Conical form; branches numerous, spreading horizontally; leaves light green above, glaucous below. 3 to 4 ft., $4 to $6 each.

**JUNIPERS**

**J. Hibernica.** **Irish Juniper.** Very close, upright, slender growth, with a silvery glaucous appearance, 3 ft., $4.00.

**J. Japonica Aurea.** **Golden Japanese Juniper.** Rather spreading and eccentric in growth, very striking. Beautiful for rock work or other places where contrasts of colors are wanted. Good strong plants, $6.00 each.

**J. Sabina.** **Savin Juniper.** Low growth; widespread; dark green foliage: well adapted for rockwork and hillsides. $3.00 each.

**J. Schotti.** A fine very hardy variety of the Red Cedar. Columnar in form; foliage light green; feathery. 3 ft., $4 to $6.00 each.

**J. Virginiana.** **Red Cedar.** Very tall, narrow compact growth. Fine plants. 3 to 4 ft., $4.00 each, 4 to 5 ft., $5 to $7.00 each. 6 to 7 ft., $8.00 each.
J. var. Glauca. Blue Red Cedar. Same as Red Cedar, only with beautiful blue-green foliage. Rare and very choice. 2 to 3 ft., $5 each; 3 to 4 ft., $7.00 each.

J. Pfitzeriana. An extremely hardy, valuable, spreading variety. Silvery green foliage. Both the main stem and lateral shoots have a light, feathery appearance, one of the finest of the species. $5 to $15.00 each.

THE PYRAMIDAL ARBOR VITAE

RETINOSPORA (Japan Cypress)

Retinospora ericoides. Heath Like Japan Cypress. Conical, compact form. 2 to 2 1/2 ft. $3.00 each.

R. filifera. Thread-Branched Japan Cypress. A beautiful tree, with bright green foliage. It is particularly graceful, as the ends of its shoots droop in long filaments. 2 to 3 ft., $4 each; 3 1/2 to 4 ft., $6 to $7.00 each.

Landscape Department

After some years of experience in this line we are prepared to execute any contemplated landscape work upon the most favorable terms.

Upon application, a competent man will visit and inspect either old or new places with a view to planting or remodeling.

Plans and estimates cheerfully furnished—upon visit or receipt of specification—for any desired work of this kind, for which no charge will be made, provided all the stock is supplied by us.

It is our custom to guarantee our planting for one year, and we replace free of charge any trees or plants failing to grow within that time, unless damaged by carelessness after work is finished. This gives the customer full protection, and insures the planting of strong, healthy stock.

Many country places may be wonderfully improved, at a very moderate expense by the efforts of an intelligent person, experienced in this line, by having stock, planning and planting come under one contract.

We respectfully solicit your correspondence.

We refer you to—Dr. Albert Shaw, of Hastings-on-Hudson; Franciscan Sisters, Peekskill, N. Y. St. Mary’s School Peekskill, N. Y. Mr. C. F. Bond, Scarsdale, N. Y.

Testimonials

The Privet you shipped last week, at the order of Prof. Oldrini, was received and has been planted. It is very satisfactory, and I wish to know if you can furnish me 500 more of the same.

**Austin Corbin, Banker, N. Y. City.**

All the shrubbery furnished by you has proved very satisfactory, both to ourselves and to Mr. Langton.

**Dinkle & Jewel, Irvington-on-Hudson.**

The trees arrived in perfect condition. Both the growing and the packing are highly creditable to you.

**C. H. Tibbitts, Portchester, N. Y.**

Hedge came in fine form, and growing fine. Am well pleased. The other stock is also fine. All I can say is I am well pleased with the goods, and can recommend your goods to the very highest.

**F. J. Meyers.**

245 E. Utica St., Buffalo, N. Y.

The shipment arrived all right; am much pleased with the trees and shrubs.

**Irving G. McCulley,**

Grosse Point, Mich.

The trees, etc., arrived in excellent condition, and am well pleased with all. They were well packed, consequently were not injured at all in transportation.

**W. C. Emerick,**

Ardsley, N. Y.

Plants arrived today; they are fine plants and in good condition. I never bought better.

**J. H. McChesney,**

Verona, Pa.

The Cemetery order was A No. 1 in every respect and I am very much pleased.

**A. F. Bloodgood,**

Kensico Cemetery, Kensico, N. Y.

Shipment of Shrubs arrived in excellent condition, and I wish to say that they exceeded my expectations.

**Henry Vier,**

White Plains, N. Y.

The plants you sent here are very satisfactory. The Quartermaster is very much pleased.

**A. J. Rhodes,**

West Point, N. Y.

The box and bundle of trees arrived at Hartsdale yesterday, and it affords me great pleasure to state that they were in very good condition, thanks to the careful way in which they were packed.

**W. T. Graff, Jr.,**

Hartsdale, N. Y.

Your bill just received, the trees are fine, the best I ever had.

**J. D. Carpenter,**
